Projects

E-Commerce Website using React [Live Demo](#)

- Developed an e-commerce website using React with reusable UI components.
- Created product listing, product details, cart, wishlist, and checkout pages.
- Implemented page navigation using React Router.
- Used Redux Toolkit for efficient application state management.
- Used localStorage to persist cart and wishlist data after page refresh.

Code Learning Platform

- Developed a practice-based learning platform for HTML, CSS, and JavaScript.
- Created coding exercises that allow students to practice concepts through real-time coding.
- Provided hints and feedback to help users identify and correct coding mistakes.

Certifications & Training

- Data Analyst Certificate – Deloitte
- Web Development Completion Certificate – Thiranex
- Frontend Developer certificate – OneRoadmap
- Industrial Training on PCB Assembling – SPR Capital Solution
- Training Course on Practical Robotics – Synchrony
- TechTrek 2025 (Quiz Test) – Participant

Languages

English, Telugu, Hindi
